General Comments

Clear and mild

- Two laborers from Conco are on site at the CCO 140 mockup in the storage yard along Burma Rd. The two workers are Jeff St. Peter and Bob Bognaes. They worked from 0700 to 1600 hrs forming most of the walls for the mockup.

- Throughout the morning I reviewed the measurements of the form for the mockup.

- Review Seismic Joint Plate mapping information.

Accrued 2.5 hours of overtime covering field work and Seismic Joint documentation.
